WELCOME TO ELITE

PROTECT YOURSELF

Elite Glass Industries Co. (EGI) is a premier global provider of state-of-the-art armored ballistic glass. Based in Jordan at the KADDB Industrial Park, EGI is the industry leader in the design and manufacturing of bulletproof glass solutions. EGI specializes in custom-cut, bullet resistant glass (BRG) windows and barriers for a wide range of security and protection systems to meet our clients' needs.

MISSION

Elite Glass Industries Co. is committed to the design and manufacture of state-of-the-art, certified transparent armored glass that offers our clients a superior reinforced glass product that is consistent in quality, clarity and protection. Customer safety and satisfaction is EGI's priority. Our team of experts will work closely with clients from the outset to identify and develop a custom security solution combined with a unique design that ensures their requirements are not only met, but that their expectations are surpassed.

VISION

Elite Glass Industries Co. is one of the world's premier providers of armored ballistic glass providing superior security and visibility solutions across a wide range of industries. EGI will constantly develop and upgrade its materials and technology to guarantee its customers the highest level of protection and security that will safeguard our clients and their assets from potential external threats such as armed and forced-entry attacks.

BANK BULLETPROOF GLASS KEEPS EMPLOYEES SAFE

Thanks to bulletproof glass, bank tellers can feel more secure than ever as they interact with customers inside.

When searching for bulletproof glass for banks, institutions usually look for an option that includes a tray that makes it easy to exchange deposit slips and money.

BANK EMPLOYEE SECURITY BENEFITS

- Protects employees. which makes it easier to compete for the best employees. Without it, your bank may lose good candidates.
- Showing your employees that you take their safety seriously, will help increase morale and reduce worker turnover.
- Safety and security of your bank premises and employees, will lower the insurance cost.

Our priority is to choose the right setup to meet your own bank's needs, you'll be able to provide the perfect working environment for your bank's teams.

CASH IN TRANSIT SECURITY GLASS

We have longstanding relationships with some of the leading service providers of armored vehicle manufacturers, for whom we have produced cash in transit (CIT) security glass.

One of them is our sister company **VIP ARMORING INDUSTRY** which manufactured different types of CIT vehicles like:

1. Land Cruiser.

2. GMC YUKON XL.

3. Mercedes Sprinter

CERTIFICATION

Elite Glass Industries Co. ballistic glass products for all protection levels have been certified by KADDB laboratories which is accredited by the United Kingdom Accreditation Service (UKAS).

Our glass certifications validate EGI's commitment to the production of multilayer glass clad polycarbonate laminated and reinforced safety glass for ballistic protection to the highest manufacturing standards.
